Email of the company

Tax Tin number

Number of business authorization

- 1- The name of the company in English will be printed in the forms so please input the full name of the company.
- 2- You can put in brief what kind of business your company is doing.
- 3- Select the business type of your company. Just choose "Others" if your business type is not in the list.

- 4- It is the business registration number taken from the business authorization paper. It will be used to identify the company.
- 5- It is the unique number that identify the company who pay the tax. This number will be used as your login name
- 6- Put the house's number and the name of the road only. Please put the correct address as it will be printed on forms.
- 7- Choose in order the province, district and then the name of the village if not you will see some empty list.
- 8- The email should be an email of the company not of the shipping. In the case that the company have many shipping staff, the company should set a forward email to all the shipping staff. All alerts and communications between the company and the ECO system will be sent to that email.

Button to submit the registration form

After register you need to wait for the confirmation email from the ministry which will contain the information about the login.

The company should get an email after the approval of the ECO division. Here is how the email look like:

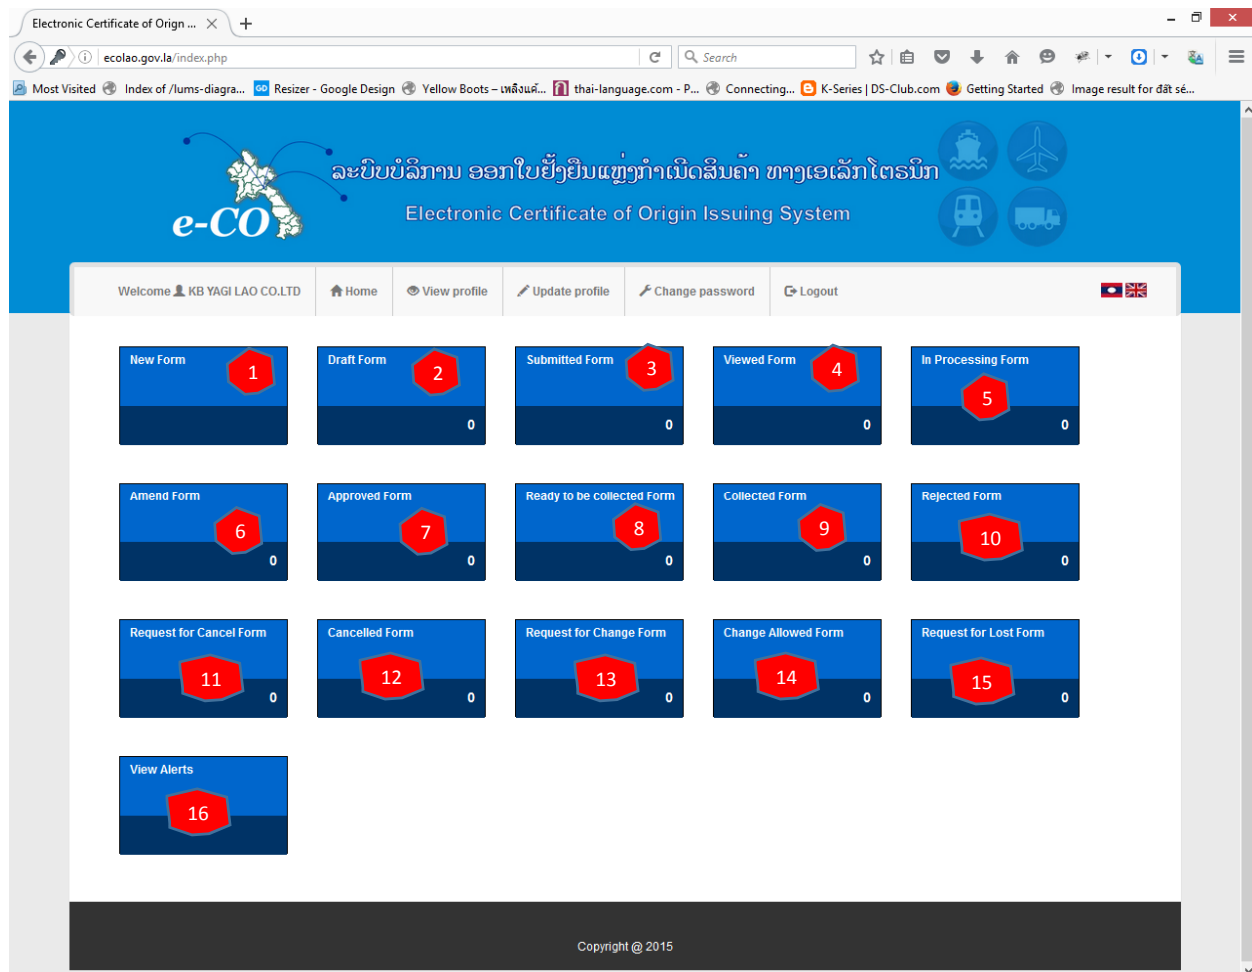

Login

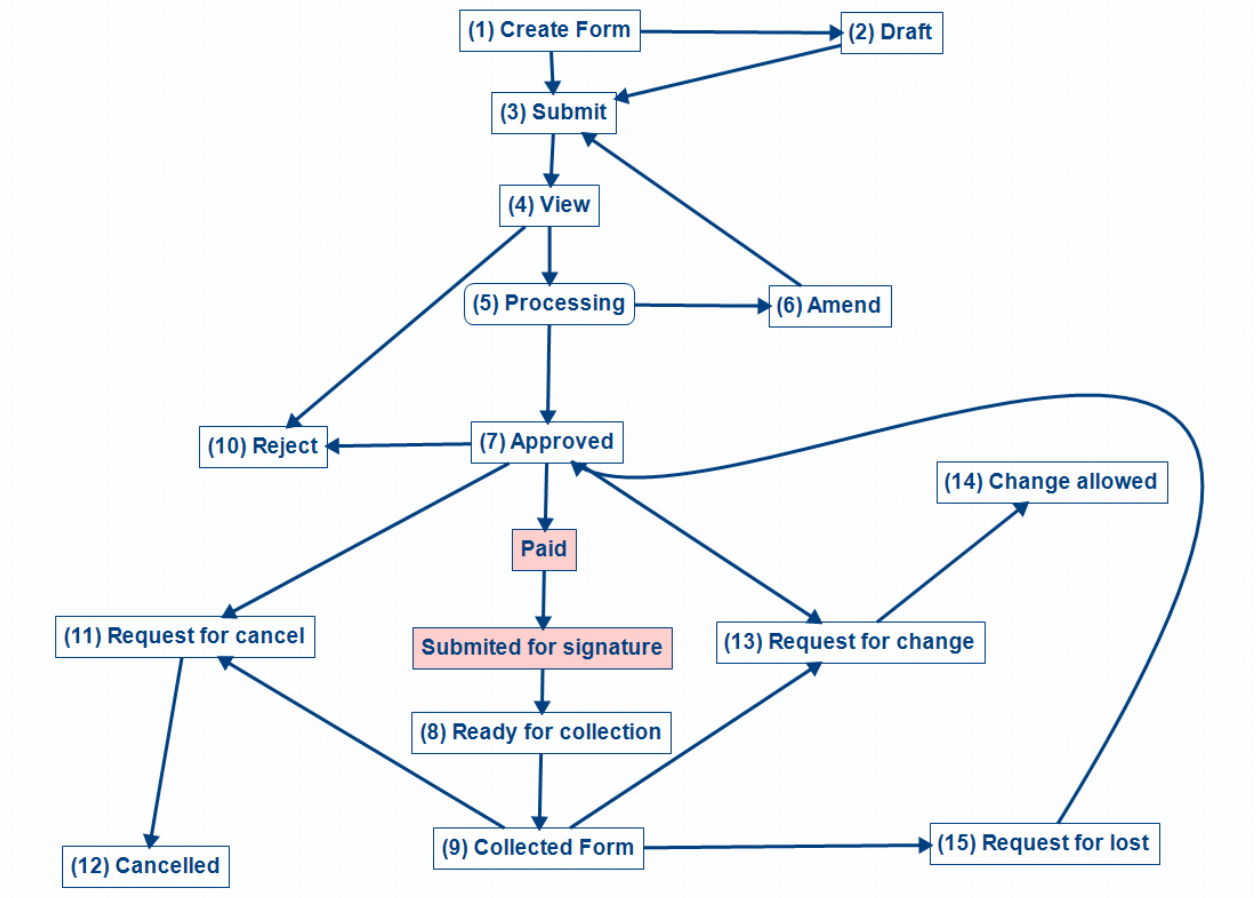

The screenshot shows the e-CO (Electronic Certificate of Origin Issuing System) login page. The browser address bar shows 'ecolao.gov.la'. The page header includes the e-CO logo and the text 'ລະບົບບໍລິການ ອອກໃບຢັ້ງຢືນແຫຼ່ງກຳເນີດສິນຄ້າ ທາງເອເລັກໂຕຣນິກ' and 'Electronic Certificate of Origin Issuing System'. The navigation menu includes Home, About US, Preferences, FAQs, Contact Us, and Company Registration. The main content area features a 'CO Issuance Statistics' section with two charts showing 'No. of Approved Forms' and 'Value (USD)' for May 2016 and January to May 2016. A red box highlights the 'Login' form on the right side of the page. An orange callout bubble points to the 'Login form' label. The login form includes fields for 'Username *' (marked with a red '1') and 'Password *' (marked with a red '2'), a 'Login' button, and a 'Forgot Password' link. Below the login form is a link to 'register here' for users without an account. The 'Important Links' section on the right lists various government and international organization links.

- 1- The company should put the tin tax number used in the registration
- 2- The company should put the password received in the message when the agency approves the registration.

After login the company will see the main page that show the overview of all the form base on the status.

- 1- Create a new form
- 2- Show the list of forms that are not sent to the agencies
- 3- List all the forms that are sent to the agencies
- 4- List all the forms that are viewed but not yet in processing
- 5- List all the forms that are in processing
- 6- List all the forms that have some problems (missing information, document...etc.)
- 7- List all the approved forms
- 8- List all the forms that are signed and ready to for collection by the company
- 9- List all the cancelled forms
- 10- List all the rejected forms
- 11- List all the forms that the company have requested to cancel
- 12- List all the collected forms
- 13- List all the forms that the company have requested to make some changes
- 14- List all the forms that are allowed to make the changes
- 15- List all the forms that are lost
- 16- List all the messages sent between the agencies and the company.

View Profile

After login for the first time, the company should look at its own profile to check the correctness of the data like address...etc.

If something need to be changed or if the company have new CPE files to add, the company can use the menu “Update profile” to request to make the changes.

Create form A

The screenshot shows the 'Create Form A' interface. It includes a title 'Choose Form', a note 'Fields with * are required.', and three dropdown menus. The first dropdown is set to 'Form A', the second to 'Department of Import and Export, Ministry of Industry and commerce', and the third to 'Normal'. Below these are 'Back' and 'Next' buttons. Four orange callout boxes provide instructions: 1. 'Choose the form you want' points to the first dropdown; 2. 'Choose the issue agency' points to the second dropdown; 3. 'Detail of form A (Normal or Textile)' points to the third dropdown; 4. 'Next' points to the 'Next' button.

Example of Filling form

You should fill the form except the uploading data, click on save and then update in the draft form to choose the documents to upload.

FORM A

The screenshot shows the 'Create Form A' interface with several sections and callouts. The 'Exporter Information' section contains the text: 'KB YAGI LAO CO.LTD', '13 SOUTH, Donglouang Village, Naxaythong District, Vientiane Capital, LAO PDR'. The 'Transport Information' section has a 'Transport Route' field. The 'Importer Information' section includes 'Importer Name' and 'Importer Address' fields. The 'Country' dropdown is set to '-- Please Select Country --'. The 'List of Confirmation of Product Eligibility' section has a list of checkboxes for CPE codes: 010002, 010003, 010004, 010005, and 010006. Orange callout boxes provide instructions: 'Address of company taken from company profile' points to the exporter information; 'Information about importer' points to the importer name; 'Importing country' points to the country dropdown; 'Detail of the transport route' points to the transport route field; and 'Check the CPE that are used for this form' points to the CPE list.
